The Assumption: A Sign of Hope

Is the resurrection a concept or reality? For many of us, the resurrection of the dead may be a stray idea recited in the Nicene Creed. Heaven we discuss. But resurrection? The feast of the Assumption is a reminder to us that heaven gets even better! We pray that the souls of the faithful departed would soon be united to God in heaven. The truth is,

the separation between our souls and our bodies was not God's original plan for things. It's one of the results of the Fall, of original sin. At the end of time and Jesus' second coming, our bodies and souls will be reunited. Lest we forget, Mary's Assumption is the reminder. Today, we celebrate that Mary is enjoying what we, too, hope to participate in — complete joy in heaven with our God, experienced body and soul. Today and every day, let's pray for those who have died and that we may meet them again in the heavenly kingdom.

The Joy of Pastor

Greetings brothers and sisters in Christ!

As most of you already know, my name is Fr. Kris! Being a priest has been the absolute joy of my life! It is with great appreciation to the Lord and His leadership in my life that I have been given the privilege and honor to serve as your new priest here at Saints Peter and Paul. While I know this will be an adjustment period for all of us, I am excited to journey in faith with you. I want to thank you for the kindness and hospitality you have shown me thus far and for accepting me as part of

your church family. As I continue to get to know you all, please do not hesitate to reach out to me if you have any needs, suggestions or would just like to introduce yourself to me. It is lovely to see so many smiling faces filled with the Lord's joy in Church and I am so pleased to see all the children. I thank their parents for their desire to educate them in the practices of the Catholic Church. The children are the church's future and without your guidance, they would not know the true value of God's love for all of us.

I look forward to a joyous and fruitful ministry in the years to come. May all the Saints gathered

around the Heavenly Throne intercede for us in this time of transition. Please know that my prayers are with you and that I will work with grace and love to provide comfort to all of you in Christ. I hope and pray to inspire you in your faith and I look forward to worshipping with you in God's Holy Church at SS Peter and Paul.

Many thanks,
peace and
blessings

~Fr. Kris

St. Clare of Assisi | August 11

As a girl in 12th century Italy, Clare heard the legendary St. Francis preaching in the square below her family home. Inspired, Clare snuck away in the middle of the night to join Francis and his followers. Francis cut her hair like the men and gave her a rough tunic and veil to wear. For the sake of propriety, Clare was placed in a Benedictine nun monastery for several years. As more women were drawn to the simple spirituality, a new order was founded, now known as the Poor Clare's. Despite requests from the pope himself to relax their vow of poverty, Clare stood firm in following the spirit of St. Francis. Clare's reputation for virtue spread and attracted women ~ rich and poor alike ~ to the new order that still exists today.

We hope all our 9-12 gr. Faith Formation teens can attend as part of classes.
(Normally it is offered in the fall, but the diocese changed it to the summer.) Steph will be contacting families soon. Please save the date! Thank you!

St. Rose of Lima | August 23

Born Isabel Flores de Olivia in April 1586 in Lima, Peru to Spanish colonists, Saint Rose of Lima took the name Rose at her confirmation in 1597. Legend holds that she received this nickname as an infant because a servant saw her face transformed into a rose.

Even as a child Saint Rose was dedicated to Christ. Growing up she made many secret penances. And when she was old enough to be married, she deterred suitors by cutting off her hair and rubbing pepper on face to make it blister. She took a vow of chastity even though her par-

ents wished her to marry. She fasted many times a week and permanently abstained from meat.

Eventually her parents gave in and allowed her to join the Third Order of St. Dominic, although she was not permitted to live in a convent. Saint Rose undertook severe penances, allowing herself only two hours of sleep a night in order to have more time to pray, wearing a heavy silver crown with spikes on the inside imitating Christ's crown of thorns, and even burning her own hands. However, she also cared for the sick and hungry, and sold her beautiful embroidery and fine lace, as well as flowers she grew to help raise funds for the poor.

She died at the age of 31 on Aug 24, 1617. Pope Clement X canonized her in 1671, she was the first saint of the New World, born in the Americas. Saint Rose of Lima is the patron saint of Latin America and the Philippines.

In this presentation, you'll discover how all people can find freedom and love within the Church.
