Each year on August 15, the Church celebrates the Solemnity of the Assumption of the Blessed Virgin Mary, a Holy Day of Obligation. On this joyful feast, we proclaim our faith that, at the end of her earthly life, Mary was assumed body and soul into heavenly glory. The Assumption reminds us that death is not the end for those who belong to Christ. Because of Jesus' Resurrection, heaven is our true home, and Mary's Assumption offers us a glimpse of the hope that awaits all who faithfully follow her Son.

Mary's life was marked by her simple yet profound "yes" to God's will. She trusted Him in moments of joy and uncertainty, remained faithful at the foot of the Cross, and rejoiced in the glory of the Resurrection. As we celebrate her Assumption this month, may we ask for her prayers, that we too may have hearts open to God's plan. Following Mary's example of humility, courage, and unwavering faith, may we keep our eyes fixed on heaven while joyfully serving Christ and one another each day.

THANK YOU to all of the people that contributed to the Squires successful Cow Pie Bingo!

The response from our parish community was amazing & the event brought something interesting to the parish celebration. The winners were The Squires (because we bought squares that were unpurchased to fill out the game board), and Dan Kiedrowski. The money will go toward making charitable donations that will help the squires with the grace of generosity! It will also allow the Squires to do our camp out, laser tag & other fun activities that help our group grow in friendship of each other and our faith.

What a joyful celebration of our parish feast day! ❤️

A sincere thank you to everyone who planned, served, donated, attended, and prayed for our SS. Peter & Paul Parish Feast Day celebration. Your generous hearts & joyful spirits made it a beautiful day! As we honor our patron saints, Peter and Paul, may we continue to follow their example of courage, faith, and unwavering trust in Christ. It is through each member of our parish family that God's love shines so brightly.

May the Lord bless each of you for the many ways you helped make this celebration so special.

Together, we truly are the Body of Christ!

Can you help Ss Peter & Paul/Sacred Heart neighbors in need?

Home visit volunteers – called Vincentians, meet with neighbors face-to-face, listening and offering hope, connecting them to resources.

Right now, more people than ever before are reaching out – and we want to be there for every single one. With your support, we can continue walking alongside our neighbors in need – and remind them that they are never alone! Giving is easy! Scan in the QR code.

Steubenville Catholic Youth Conference

We had a great group of 13 young ladies and 2 chaperones attend the conference in Rochester, MN July 10-12. They listened to nationally known speakers, worshipped with an amazing band, experienced Eucharistic Adoration and Confession, participated in Mass with Bishop Barron, made new friends and had a powerful encounter with Jesus. On the way there we went hiking at Great River Bluffs State Park and on the way home we stopped at the shrine of Our Lady of Guadalupe in La Crosse.

Love Begins Here

This June, ten of our parish youth had the incredible opportunity to participate in Love Begins Here (LBH) in Freedom, Wisconsin. Throughout the week, they became the hands and feet of Christ by serving those in need & sharing His love through acts of kindness. Along the way, they enjoyed plenty of games and swimming, spent meaningful time in prayer, and discovered that serving others brings great joy. We are so proud of these young disciples for saying "yes" to God's call and allowing Him to work through them.

May the seeds of faith planted during this mission experience continue to grow, inspiring them to love, serve, and follow Christ wherever He leads.

Our St. Lucy group served at Agape Pregnancy Help Center in Waupaca & our Squires group enjoyed a fun & faith filled camping outing together in the Kettle Moraine State Forest.

The Squires will meet the third Wednesday of the month at 6:30 pm. The next meeting will be August 19th. Any boy who is 10 years old or older is welcome to join the Squires!

An Evening of Music, Storytelling & Fellowship with Sarah Hart

Join us on Wednesday, August 19 at 6:00pm at Sacred Heart Catholic Church in Manawa

Sarah Hart is one of the most respected voices in contemporary Catholic music. A Grammy-nominated singer, songwriter, worship leader, and speaker, she has inspired thousands through her heartfelt music and authentic storytelling. Her songs are sung in Catholic parishes around the world, and she has shared her gifts at conferences, retreats, and even performed for Pope Francis in St. Peter's Square.

More than a concert, this evening is an opportunity to encounter Christ through beautiful music, honest stories of faith, and joyful fellowship. You'll leave with a renewed heart and spirit.

Family, friends, neighbors... everyone is welcome!

Invite your family, friends, neighbors, and anyone who could use an uplifting evening filled with faith, hope, and song. We look forward to sharing this special event with you!

There is a beautiful moment at the end of every Mass that can easily be overlooked. After receiving the greatest gift imaginable - Jesus Himself in the Holy Eucharist - we are not told to stay. Instead, we are sent. The final dismissal is more than a signal that Mass has ended; it is Christ's invitation to carry Him into a world that desperately needs His presence. The Church building is where we are nourished, but the mission field begins the moment we step through its doors.

August is often a month of transition. Gardens begin to yield their harvest, students prepare to return to school, and families begin to settle into new routines. It is a fitting time to ask ourselves: *What fruit has Christ produced in my life this summer?* Has the Eucharist made me more patient, more forgiving, more generous, more willing to notice someone who is lonely or in need? The saints remind us that holiness is rarely found in extraordinary moments, but in ordinary days lived with extraordinary love.

Let every Mass we attend transform not only our hearts, but also the lives of those we encounter, so that wherever we go, others may catch a glimpse of Christ through us.

Everything

is possible for one who believes.
